

## **Thermalux Clarendon Slow-Combustion Stove**

### **The charm of a Clarendon is perfect for that country kitchen or restored cottage.**

Thermalux Clarendon is an extremely fuel efficient, small to medium-sized wood cooker with options to suit new and refurbished locations for a wood stove.

The Clarendon with splashback and Queen Anne style legs is perfect for that country kitchen or restored Victorian or Edwardian cottage. The Clarendon can also be mounted on a brick plinth or a steel base cabinet for a contemporary look or on legs for a more traditional colonial style.

The original unit consists of a single oven, large cooktop with lift off hot plate covers, firebox with 5kw hot water jacket for domestic hot water, an ashtray and has a centrally located flue. Other additional bespoke options include:

- splashback added
- rear flue option
- oven door has a glass door option.

The doors on the cooker and base cabinet are also available in optional powdercoat colours. The Clarendon is available in the standard Thermalux colour range.

**Heat Output:** 5kw

#### **Dimensions:**

Height 540mm
