

## **Thermalux Grand Cuisine Slow Combustion Stove**

### **The perfect cooker for the serious cook, entertainer or commercial application.**

The Grand Cuisine is a genuine four-oven cooking stove with a huge array of facilities. It comes with four genuine ovens, an enormous main hotplate, removable 250mm drop scone or pancake hotplate which can be easily removed to place a wok directly on the flames, and two simmer plates. The ovens are self-cleaning and independently adjustable. The firebox is able to take timber up to 450mm long.

Hot water options include a 5kw stainless steel water jacket for domestic hot water up to 400 litres, an 8kw stainless steel water jacket for larger domestic and some small hydronic projects and a 16kw boiler for larger hydronic heating projects up to 160m<sup>2</sup> .

The Thermalux Grand Cuisine has a range of options including:

- glass oven doors
- splash back with built in plate rack
- dry model (no water jacket)
- chrome hotplate covers
- chrome hob.

The flue is standard on the right hand side, however this can be optioned as left, a rear flue option is also available. A plinth is available to raise the stove to bench height (900mm) when installing on concrete floors.

The Grand Cuisine is also available in our Stirling upgrade, which features standard Chrome hob & hotplate covers, powder coated doors in a range of designer colours, griddle grate and more.
